I appeared, by video conference, on September 14, 2016 and was arraigned. I was informed that the District Attorney's Office has filed Informations against me charging me with the offenses listed on the Criminal Informations, at the above-captioned docket numbers.

I have been provided with a copy of the Information filed against me.

The Court has informed me of the following:

- a) A Bill of Particulars must be filed within seven (7) days;
- b) A motion for discovery and inspection of commonwealth's evidence within fourteen (14) days (NOTE: before this motion can be filed with the Court, an informal request in writing to the District Attorney must be made and refused);
- c) An omnibus pre-trial motion for relief within thirty (30) days, including but not limited to motions for a continuance, severance, suppression of evidence, psychiatric examination, to quash the information, for change of venue, to disqualify a judge, for appointment of investigator, and for a pre-trial conference.

I have the right to an attorney. If I cannot afford an attorney I may apply to the Public Defender's office for representation.

I have entered a plea of not guilty and requested a jury trial on the above charges. I understand that I may change this plea at a later date.
